AAACE 2025 Conference

The theme for the 2025 conference is: Bridging the Generational Divide - Recognizing the Roots and Branches of the Field of Adult Education.

To know the past is to prepare for the future. Understanding the generational influences on our knowledge and thinking helps us to see the cycles with eyes to honor accomplishments, heal past trauma, and make space for new traditions, ideas, and connections.

Our annual meeting will be held at the AAACE conference.
